If you have the time today, please proceed with contacting HED. I'm not sure if Mike or Will is in today, but I guess you can leave an email or voicemail. Thanks much!

Yes - thanks, Mike! Since time is of the urgency, it's probably best that Metzger and Will get all of the requested scenarios considered ASAP.

Hi Marion.

Per the DD's email below, do you want to ask Mike Metzger to also run some "what-if" analyses?

I can also contact Mike Metzger (Tel: 703-305-5883) with this request, if you prefer.

Please let me know.

Thanks.

Mike

Thanks Marion

We also may want to ask HED to run some what-if analyses.

Ex. 5 Deliberative Process (DP)

Just thinking that while HED is conducting this run it may be good to do some of these others if possible.

Marion

I really need a schedule on when we expect results from the analysis. They keep coming back. Please let me know soon when I can expect a timeline.

I have asked that we not have the call with them until next week, but it may be early next week.

Aldicarb Team- thanks for the Aldicarb update call with House Ag (min) staff last month. House Ag majority now requests an update. Based on the value of the exchange last month- it seems like a call would be best. Availability tomorrow or next week? Thanks,
Sven

Aldicarb team – Jeremy would like to do the call on Mon, Sept 9 at 3:30pm. I'll send a scheduler with call in number and plan to come to PY for the call. The purpose of the call, as provided by the requester, is to follow up on what the committee is hearing from growers regarding the status of the aldicarb application for use on citrus – see below.

Please let me know if any questions.
Thanks,

Sven
